Part 2: STATEMENT OF CONSENT

I consent for my above named child to attend/participate in all Kidz Klub Strathearn activities, whether arriving by the dedicated pickup/drop off Kidz Klub bus, or on foot (accompanied or unaccompanied by an adult - at the registration desk). And that they will return the way they arrived (unless by prior arrangement on arrival). I understand that Kidz Klub Strathearn may take video clips/photographs as an integral part of 'multi-media' activities and these may also be used for information/promotion (excluding the internet). I understand that this is a Christian based activity (see over for more details). I also give consent for Kidz Klub Workers to administer first aid that may be necessary to my child in the event of an injury and for my child to receive any necessary medical/hospital/dental treatment including an anaesthetic.

I recognise that the above named child is my responsibility, from when they "enter" the building, and then from when they "leave" the Kidz Klub building. Or, if a dedicated Kidz Klub bus picks up on my route, the above named child is my responsibility until they board, and from when they step off the bus on the return journey. Please note: Kidz Klub understands that some children are allowed to walk to and from the bus or the Kidz Klub venue on their own. However, where children are dropped off and collected, it is YOUR responsibility to collect or make suitable alternative arrangements.

Procedure for children who are not collected after Kidz Klub as expected.

Where children are registered to be collected at the end of Kidz Klub and they are not collected; in an attempt to arrange for collection and care of the child, Kidz Klub will first phone the parents/carers and if no reply, the 1st alternative contact, then the 2nd alternative. If we are unable to make contact with any of the above to make satisfactory arrangements for the child's collection, Kidz Klub reserve the right to contact the Perth & Kinross - Duty Child Care Team.
