

Kidz Klub Strathearn – Volunteer Roles

(updated Feb 2010)

Would you like to be part of this growing ministry, Kidz Klub Strathearn?

This is a comprehensive list of the roles for Kidz Klub Strathearn. Many dedicated volunteers make this possible, and it changes and transforms lives. If you believe your time and skill can be used here for the Kingdom of God, please take a look at these roles and visit a live show in action to get a feel for it and/or you can register your interest here with us without any obligations. We will keep you on the short list and contact you in due time. We do however need reliability, once you are a volunteer.

Although it is beneficial, no previous experience necessary as full training will be provided. Min age 16.

Please tick which roles you might consider along with any experience or conditions we should know.

If you're already a volunteer you can still register your interest in any of the roles below.
